MEMORANDUM

TO: Patrick Wussow, Aitkin County Administrator

FROM: James P. Ratz, Aitkin County Attorney *JPR*

DATE: 12/29/2009

RE: Newspaper Bids for 2010

In response to your December 29, 2009 memorandum, inquiring as to whether the NewsHopper is a qualified newspaper, the short answer is yes. The NewsHopper has a court judgment stating it is a qualified newspaper. To my knowledge, no other qualified newspaper or interested person has subsequently challenged the NewsHopper's status as a qualified newspaper.

Two further questions of equal or greater importance focus on the issue of priority of designation and if there is a valid exception to the designation priority. Minn.Stat. §331A.04.

First, if the NewsHopper does not have a known or secondary office in the County, it appears it would a qualified newspaper of general circulation in the County. Other qualified newspapers in the county with a known office or a secondary office would have priority (in that order) over one that does not have an office in the County.

Minnesota Statutes section 331A.04, subdivision 6, does provide for an exception to the designation priority upon the fulfillment of four conditions. The four conditions that must be met are as follows:

- (1) the newspaper is a qualified medium of official and legal publication;
- (2) it must have circulation of not fewer than 75 percent of the households in the County;
- (3) it must provide regular coverage of County Board hearings and meetings; and
- (4) the County Board votes unanimously to designate the newspaper.

If you have any questions, please feel free to contact my office.

My dog, a Staffordshire Bull Terrier Lab Mix, has been determined to be
(description)
a dangerous dog within the meaning of Minnesota Statutes 347.50 Subd. 2. Under
Minnesota Statute 347.51 Subd. 3a. I am entitled to a Dangerous Dog Designation
Review.

Beginning six months after a dog is declared a dangerous dog, an owner may request annually that the animal control authority review the designation. The owner must provide evidence that the dog's behavior has changed due to the dog's age, neutering, environment, completion of obedience training that includes modification of aggressive behavior, or other factors. If the animal control authority finds sufficient evidence that the dog's behavior has changed, the authority may rescind the dangerous dog designation.

I hereby request a designation review. Please contact me at the above phone number.
