Summary of Issue: <p>The construction of Enbridge Line 3 has commenced with the issuance of state and federal construction permits. There are eleven (11) active timber sales not related to the pipeline construction activities in the general area of the pipeline construction. Locally, there have been documented situations of vandalism of timber equipment.</p> <p>In an effort to protect loggers and logging equipment not related to the construction, I would ask the County Board grant free, one-year (1-yr) extensions to the following timber permits to allow loggers to opportunity to avoid potential conflicts in the construction area (Permit # - Company).</p> <p>13592-Carlson, 14071-Jobe, 13884-Sappi, 13925-Sappi, 14076-Carlson, 14209-Potlatch Deltic, 14026-Stangler, 14176-Cook, 13821-Stangler, 13920-Stangler, 14078-Sappi</p>
