AITKIN COUNTY ORDINANCE REGULATING THE SALE, PROCUREMENT, AND POSSESSION OF TOBACCO AND RELATED DEVICES

AN ORDINANCE RELATING TO THE SALE, PROCUREMENT, AND POSSESSION OF COMMERCIAL TOBACCO, AND RELATED DEVICES AND PRODUCTS IN THE COUNTY OF AITKIN, MINNESOTA

WHEREAS, the Aitkin County Board of Commissioners recognizes that the sale of commercial tobacco, tobacco-related devices, electronic delivery devices, and nicotine or lobelia delivery products to persons under the age of 21 years are violations of both State and Federal laws; and

WHEREAS, studies have shown that 90% of people who smoke begin smoking before they have reached the age of 18 years, and that almost no one starts smoking after age 25; and

WHEREAS, because marketing analysis, public health research, and commercial tobacco industry documents reveal that tobacco companies have used menthol, mint, fruit, candy, and alcohol flavors as a way to target youth and young adults and that the presence of such flavors can make it more difficult to quit; and because studies show that youth and young adults are especially susceptible to commercial tobacco product availability, advertising, and price promotions at tobacco retail environments; and

WHEREAS, smoking has been shown to be the cause of several serious health problems which subsequently place a financial burden on all levels of government; and

WHEREAS, this ordinance is intended to regulate the sale, procurement, and possession of commercial tobacco, tobacco-related devices, electronic delivery devices, nicotine, or lobelia delivery products for the purpose of enforcing and furthering existing laws, to protect youth and young adults against the serious effects associated with use and initiation, to further the official public policy of the State of Minnesota in regard to preventing young people from starting to smoke as stated in Minn. Stat. Sec., 144.391 as it may be amended from time to time.

Now, Therefore,

THE BOARD OF COMMISSIONERS OF THE COUNTY OF AITKIN, MINNESOTA, HEREBY ORDAINS:

Presumptive evidence may include but is not limited to the use of terms such as "cool," "chill," "ice," "fresh," "arctic," or "frost" to describe the product.~~

(B) Legal age. No person shall sell, give, or furnish, any licensed product to any person under the age of Twenty-one (21).

(1) Licensees must verify by means of government-issued photographic identification containing the bearer's date of birth that the purchaser is at least 21 years of age. Verification is not required for a person over the age of 30. That the person appeared to be 30 years of age or older does not constitute a defense to a violation of this subsection.

(2) Notice of the legal sales age, age verification requirement, and possible penalties for underage sales must be posted prominently and in plain view at all times at each location where licensed products are offered for sale. The required signage, must be posted in a manner that is clearly visible to anyone who is or is considering making a purchase.

It is also a violation for any person 21 years of age and older to coerce or attempt to coerce a person under the age of 21 to purchase or attempt to purchase any licensed product.

(4) It shall be a violation of this Ordinance for any person to attempt to disguise his or her true age by the use of a false form of identification, whether the identification is that of another person or one on which the age of the person has been modified or tampered with to represent an age older than the actual age of the person. A licensee may seize a form of identification, if the licensee has reasonable grounds to believe that the form of identification has been altered or falsified or is being used to violate any law. A licensee who seizes a form of identification as authorized under this subdivision shall deliver it to a law enforcement agency within 24 hours of seizing it.

(C) Possession. It shall be a violation of this ordinance for any person under age 21 to have in his or her possession any tobacco, tobacco-related device, electronic delivery device, or nicotine or lobelia delivery product. This subdivision shall not apply to minors lawfully involved in a compliance check.

Section 6. Responsibility

All licensees are responsible for the actions of their employees regarding the sale, offer to sell, and furnishing of licensed products on the licensed premises. The sale, offer to sell, or furnishing of any licensed product by an employee shall be considered an act of the licensee.

Section 7. Compliance Checks and Inspections

All licensed premises shall be open to inspection by authorized County officials during regular business hours. From time to time, the County will conduct compliance checks to ensure compliance with all provisions of this ordinance. In accordance with state law, the county will conduct a compliance check that involves the participation of a person at least 17 years of age, but under the age of 21, to enter the licensed premises to attempt to purchase licensed products. Prior written consent from a parent or guardian is required for any person under the age of 18 to participate in a compliance check. (B) Hearings. The alleged violator shall have ten (10) calendar days from the date the citation was mailed or if the citation was issued personally, ten (10) calendar days from receipt, to provide a written request for a hearing before the hearing officer. If a person accused of violating this ordinance so requests, a hearing shall be scheduled, the time and place of which shall be published and provided to the accused violator. The requested hearing shall be held within thirty (30) days upon receipt of the written request for a hearing. If good cause is shown, the hearing officer may extend the time for the hearing for up to an additional thirty (30) days. The hearing officer must give reasonable notice for the hearing to the alleged violator and the public.

(C) Hearing Officer. The Aitkin County Board of Commissioners shall serve as the hearing officer.

(D) Decision. If the hearing officer determines that a violation of this ordinance did occur, that decision, along with the hearing officer's reasons for finding a violation and the penalty to be imposed under this ordinance, shall be recorded in writing, a copy of which shall be provided to the accused violator. Likewise, if the hearing officer finds that no violation occurred or finds grounds for not imposing any penalty, such findings shall be recorded in writing and a copy provided to the acquitted-accused violator.

(E) Appeals. All decisions of the hearing officer shall be final, except that any person or entity with the right to appeal may appeal the hearing officer's decision within thirty (30) days to the district court for the County in which the alleged violation occurred. The licensee, other aggrieved persons, any municipality, county or state and any officer, department or subdivision thereof shall have the right to appeal the hearing officer's decision. An appeal to the district court stays all proceedings in furtherance of the action appealed from, unless the hearing officer certifies that a stay would cause imminent peril to the public health, safety, and general welfare.

(F) Continued Violation. Each violation, and every day in which a violation occurs or continues, shall constitute a separate offense.

(G) Effect of Minnesota Statutes. Pursuant to Minnesota Statutes section 609.685, subdivision 4, in determining what law shall be followed the more stringent law shall be followed in all cases. A criminal prosecution is deemed to be more stringent than an administrative sanction in all cases.

Section 9. Administrative Penalties

(A) Licensees

- (1) First Violation. Any licensee found to have violated this ordinance, or whose employee shall have violated this ordinance, shall be charged an administrative penalty of \$300.00 for a first

violation of this ordinance. Upon a first violation, proof the licensee has completed an instructional program regarding the requirements of tobacco retail licensing and sales must be submitted to the Aitkin County Public Health Department within 10 calendar days.

(2) Second Violation. Penalties will increase if a second offense occurs at the same licensed premises within a 36-month period to \$600. In addition, for the second offense, the license shall be suspended for 7 calendar days, and proof the licensee and all staff have completed an instructional program regarding the requirements of tobacco retail licensing and sales must be submitted to the Aitkin County Public Health Department within 10 calendar days.

(3) Third and Subsequent Violation. Penalties will increase again for a third or subsequent offense at the same location within a 36-month period to \$1000. In addition, for the third offense, the license shall be suspended for 30 consecutive days and may be revoked. The licensee and all staff must complete an instructional program regarding the requirements of tobacco retail licensing and sales and proof of such training shall be submitted to the Aitkin County Public Health Department within 10 calendar days. Furthermore, for the fourth offense and subsequent offenses, the license shall be suspended for 90 calendar days and may be revoked.

(4) All penalties shall run consecutively.

(5) Dates of license suspension or revocation shall be determined by the County Auditor unless a hearing is requested. If a hearing is requested, the dates of license suspension or revocation shall be determined by the hearing officer.

(B) Employees of licensee

Employees of licensee found to be in violation of this ordinance will, within 10 calendar days, be required to provide proof of completion for an instructional program regarding the requirements of tobacco retail licensing and sales to the Aitkin County Public Health Department and may be charged an administrative fine of no more than \$50.

(C) Other individuals

Other individuals, other than individuals under the age of 21 regulated by Subd. E of this section, found to be in violation of this ordinance shall be charged an administrative penalty of no more than \$50.

(D) Misdemeanor

Nothing in this Section shall prohibit the County from seeking prosecution as a misdemeanor for a second violation of this ordinance within five years of a first violation or any Federal, State, County, or local law, statute, rule, or regulation.

(E) Persons under the age of 21.

(1) Persons under the age of 21 who use false identification to purchase or attempt to purchase licensed products may only be subject to non-criminal, non-monetary civil penalties or remedies such as tobacco-related education classes, diversion programs, community services, or another non-monetary, civil penalty that the legal and licensing authority

determine to be appropriate. Law Enforcement, Court System, and Public Health representatives may consult, as applicable, with interested persons, including, but not limited to, educators, parents, guardians, persons under the age of 21, public health officials, court personnel, and other interested parties to determine an appropriate remedy for persons under the age of 21 in the county in the best interest of the underage person.

- (2) Persons under the age of 21 who has in his or her possession any tobacco, tobacco-related devices, electronic delivery device, nicotine or lobelia delivery product may be subject to non-criminal, non-monetary civil penalties or remedies such as tobacco-related education classes, diversion programs, community services, another non-monetary, civil penalty or may be charged with an administrative penalty of no more than \$50, whichever the legal authority determines to be appropriate. Law Enforcement, Court System, and Public Health representatives may consult, as applicable, with interested persons, including, but not limited to, educators, parents, guardians, persons under the age of 21, public health officials, court personnel, and other interested parties to determine an appropriate remedy for persons under the age of 21 in the county and is in the best interest of the underage person.

(F) Payment of Penalty

The administrative penalty must be paid by a person and/or the licensee within 10 calendar days from mailing or personal delivery of the notice of violation unless a hearing is requested as provided in Section 8(B). If an administrative penalty is not paid and no hearing is requested within the time limits provided, the person or licensee will then have 10 calendar days to pay the fine plus a late fee established by the County Board. If payment is not received after the second notification deadline, this would constitute the basis for denial of license under Section 4(A) of this ordinance.

Section 10. Exceptions and Defenses

(A) Religious, spiritual, or cultural ceremonies or practices. Nothing in this ordinance shall prevent the providing of tobacco or tobacco-related devices to any person as part of an indigenous practice or a lawfully recognized religious, spiritual, or cultural ceremony as defined in Minnesota Statutes, section 609.685, subdivision 5.
