Agenda items for the next meeting

Stipend Request Update; OS agreed a stipend was a good idea. The current standard practice is \$35.00 per meeting + mileage. Bret and Aileen thought \$50.00 per meeting + mileage would be a fair compensation. Liz and Erin will pursue the next steps for the increased stipend and report back at the next meeting.

Be There Campaign; Liz plans on meeting with Brea Hamdorf, PHN, and Stacey Durgin-Smith Health Educator, in August to discuss how the campaign can reach our community with education about substance use, mental health, and youth vaping/tobacco prevention.

Solicit ideas to increase funding applications
